

"ADAM AND EVA" TO BE GIVEN HERE

Three-act Play Coming to Elm Hall Saturday Night.

WOMEN WILL BENEFIT

"Adam and Eva," a three-act comedy-drama written by Guy Bolton and George Middleton, will be presented by the National Alumni Players of Philadelphia, in Elm Hall, Saturday evening, February 19, at 8.15, for the benefit of the building fund of the Women's Community Club of Narberth.

The sponsors are Mrs. Horace I. McConnell, Mrs. Wallis Boileau, Jr., Mrs. Charles H. Shaw and Mrs. C. Arley Farmer. Tickets are on sale at 50 cents each.

You will laugh at Uncle Horace and his "Hypochondria," and at the frayed-out end of a long line of ancestors in the guise of Lord Andrew. You will understand Corintha's romantic nature, be lovesick with the lovers and as for Eva—just wait till you see her.

The cast is as follows:

James King, rich man, Wallis Boileau, Jr.
Corintha, his parlor maid,
Elsie Madelyn Reed
Clinton De Witt, his son-in-law,

OLD GRADS

To Play L. M. Varsity Girls' Team.

A game of great interest to basketball fans will take place on Thursday evening, February 17, in the Lower Merion Senior High School at 8 o'clock. The contest will involve the old grads, now listed as the Alumnae, and Miss Stark's versatile proteges, the present varsity squad.

This is out of the ordinary, for at Lower Merion contests in basketball between alumnae and varsity are not customary, either for the boys or the girls. But now the old grads wish to show their successors that they are still in existence, with the same old fighting spirit. The game promises to be an exciting one, so don't miss it.

The probable line-up for the Alumnae is:

Guards: Effie Rumpp, captain of the 1924 team, and Edna Clark, captain of the 1925 team.

Forwards: Tiny Brook, Irma Longley and Edna Spiers.

Side Centre: Sarabelle Brooke, captain of the 1923 squad, and Margaret Ingram.

Centre: Anna Sell, Martha Henwood.

The girls who expect to keep the Alumnae in the rear are:

Guards: Fran Gibbons and Marjorie Foley, captain of this year's team.

Forwards: Wilma Brown and Betty Cook.

Side Centre: Sally Wynne and Betty Sellers.

Centre: Nancy Abernethy.

Rev. Homer W. Tope

Famous dry leader, who will speak at union church meeting at Presbyterian Church tomorrow evening on subject, "Will Prohibition Continue?"

COMMUNITY PATRIOTIC MEETING SUNDAY

Prominent Prohibitionist Will Be the Speaker.

At the community patriotic meeting to be held under the auspices of the Narberth churches tomorrow evening, the speaker will be Rev. Homer W. Tope, D. D., superintendent of the Pennsylvania Anti-Saloon League. The meeting will be held in the Presbyterian Church, Rev. John Van Ness pastor. The speaker's theme will be "Will Prohibition Continue?"

One who reads the daily press and the present-day magazines, keeping his eye all the while on Washington and Harrisburg, quickly comes to understand that prohibition is one of the most troublesome and most interesting questions of the age in which we live.

Roger Babson and Irving Fisher think it is responsible for at least \$2,000,000,000 per year of our prosperity.

Senator Edge, of New Jersey, and Governor Al Smith, of New York, think it is the source of all the troubles this country is having today and ought to be thrown into the ocean. And there you have it.

Doctor Tope has been working continuously on this problem for the past 27 years. Few men in America understand it better than he and certainly there are none who are more eloquent in their ability to discuss it intelligently.

Besides administering the affairs of the Pennsylvania Anti-Saloon League, Dr. Tope is a member of the Executive Committee of the Anti-Saloon League of America, a member of the Temperance Committee of the United Lutheran Church of America, and is widely known throughout the nation.

Whether you are hoping prohibition will survive or perish, whether you think it is good or bad, you will do well to avail yourself of the opportunity to hear this eminent leader of a great movement.

COMMUNITY CLUB TO MEET TUESDAY

Reader and Impersonator Will Entertain.

The Women's Community Club will meet at 2.30 P. M., Tuesday, February 15, in Elm Hall, for a business session, followed by a program by Minna Lisa Eckert, dramatic reader and impersonator. Miss Eckert comes with the highest reputation for versatility; she seems able to move to tears or laughter with equal ease.

The Hospitality Committee is planning a series of small card parties at the home of its members on Fridays during March and early April. Mrs. George G. Supplee, of 315 Woodside avenue, will start the series on March 4. As the number is limited to five tables, it will be well to make reservations early with the hostess. Luncheon will be served from 1 to 2 P. M. Tickets will be 75 cents.

All notices for the March calendar should be in Mrs. Drew's hands by February 18.

THIRD CONCERT

Of Orchestra to Be Held Sunday. Pianist Will Be Soloist.

The third Main Line Orchestra concert of the season will be held on Sunday afternoon at the Ardmore Theatre. Ailsa Craig MacColl, pianist, will be the soloist, playing the first movement of the Schumann A Minor Concerto with orchestra. Adolph Vogel, conductor, has arranged a program consisting of works by Goldmark, Tschalkowsky, MacDowell and Mosz-Mowsky.

Miss MacColl is a young American pianist who has had advantages of international training and experience to equip her for the concert platform. She lately returned from Europe after completing a three-years' course at the Royal College of Music in London.

At the end of the first year she was awarded the college degree of Associate; in the second year she won the Clementi Scholarship, and at the close of her course she received the Ellen Shaw Williams prize for pianoforte playing. She was soloist with the orchestra in the final concert of the year, playing the Grieg concerto.

The paint shop is under the direction of Dean Baker, for many years head of the painting department of the Derham Body Company. He is well known throughout the Main Line, and feels that such a business will fill a need in Narberth.

ANNOUNCE SECRET MARRIAGE

Mr. and Mrs. Fred C. Patten, of 126 Woodside avenue, announce the marriage of their daughter Evelyn to Mr. Walter H. Weaver, of Berkley Apartments. The couple were married June 23 of last year, keeping until January 1st their secret, which came as a surprise to their relatives and friends.

Miss Patten attended Narberth High School, one year at Virginia Intermont College at Bristol, Virginia, and two years at Miss Sayward's School, Overbrook, where she was graduated in the Art of Expression June 3 of last year. She is well known in Narberth for her skill in recitative work. Mr. and Mrs. Weaver are making their home at Stonehurst, Pa.

Salting of Essex Avenue Arouses Ire of Parents of Narberth Kids

When falling snowflakes covered the roads last Saturday, being packed by traffic as it fell, sleds began to appear.

By noon there was a goodly crowd assembled at the Essex avenue hill, prepared for an afternoon of sport on Narberth's official coasting grounds. In accordance with its policy, the borough officials prepared to close off the street and detour traffic.

Street Commissioner Supplee, with a quickly gathered crew of men, hurried to the scene with barricades and lights. At the top of the hill was assembled a sad group, ruefully eyeing a melting and sticky hill.

Weather Report for January.

In spite of the severe cold spell from the 26th to 28th, when the temperature dropped to 1 above zero, the average temperature for the month was close to normal.

The highest temperature was 52 degrees on the 22d, while the snowfall amounted to exactly six inches. Precipitation was 2.34 inches (which includes rain and melted snow). Strong northwest winds on the 16th made the day the most disagreeable of the month.

BANQUET TO FIREMEN TO BE BIG AFFAIR

Good Food and Entertainment to Feature Annual Testimonial.

Tickets were mailed out this week to 500 Narberth men, with the hope that each would plan to attend the annual testimonial banquet to be given to the Narberth volunteer firemen.

This year's affair will be held at Elm Hall, on Thursday evening, February 24. Tickets, at \$2.50 each may be obtained at Davis' store by any interested resident who did not receive a pasteboard through the mail.

Former Senator Fletcher W. Stites will be the principal speaker and short addresses will be made by a number of others. The dinner will be catered by McCallister, and an interesting entertainment program has been arranged.

These testimonial banquets to the firemen have grown to be important community get-togethers. They form one of the few opportunities for citizens to get acquainted with each other and with the splendid fire company which Narberth boasts.

Return blanks were enclosed with the tickets sent out. The committee has requested that tickets or returns be sent back at once, so that if not used by the first recipient, another may be secured to attend instead.

CHANGES NAME OF GARAGE

Arthur Korthaus announced this week the change in the name of his garage at Essex and Haverford avenue to "Art's Garage" instead of its former name of Windsor Garage, used by the former proprietor. Mr. Korthaus feels that the old name is misleading, and has therefore adopted his familiar title as a name for his business.

DANDO MOVES WEDNESDAY

Funeral services were held Sunday, and burial was made at Albany, N. Y.

WOMEN VOTERS IN HOMELESS STATE

Council Ruling Cuts Off Free Use of Legion Room.

W. C. IRVIN TO SPEAK

The Narberth branch of the League of Women Voters, whose next meeting is scheduled for Monday afternoon, are faced with the prospect of being without a meeting place, according to a statement this week by several of the officers.

According to the league, arrangements were completed several weeks ago, in which the Recreation Board granted permission to the women to hold their monthly meetings in the American Legion room of the Community Building, free of charge.

Two months ago Council appointed a property committee, with Robert F. Wood as chairman, to supervise Borough buildings. This committee, upon organizing, established a set of rates to be charged for the use of the building by other organizations than the girl scouts, library and Legion, this charge to defray a part of the expense of running the building.

The league was informed last week that their meetings would have to fall under this ruling. The women protested and called attention to the understanding with the Recreation Board. The property committee then informed the league that any former rulings were rescinded, and that after Monday's meeting, the use of the building would entail a charge.

The officers of the League of Women Voters, who had felt "all set" for the season, then went back to the Recreation Board for an explanation, and found that this body was apparently in the dark as to its authority in the premises. They were told that Council had been asked last month to define the duties of the Board, but that the matter had been tabled.

Representatives of the Women Voters are planning to attend the meeting of Council Monday night, in order to find out where they stand. They claim that if free use of the building is now granted to three organizations, the league, a public body, should be equally favored.

County Controller William C. Irvin will be the speaker at the meeting Monday, to be held at 2.30. Mr. Irvin will have as his subject "Where the Money Goes." Tea will be served and an invitation has been issued to all residents to attend and hear this speaker.

A cake sale is planned for Saturday, the 19th.

R. S. DUNNE SPEAKER AT ROTARY CLUB LUNCHEON

Tells of Experiences—Urges Better Merchandizing Methods.

Ralph S. Dunne, head of the Narberth Coal Company and recently made a member of the Bala-Cynwyd-Narberth Rotary Club, was the speaker at the weekly luncheon of that organization held Tuesday in the Cynwyd Club. In accordance with the policies of the club's program committee, he gave a sketch of his life and activities.

He told of his experiences as an advertising and printing salesman and also as a traveler for Raphael Tuck & Sons, British publishers, throughout the eastern United States and Canada. During the war he was a secret agent in the Naval Intelligence.

Mr. Dunne concluded with an account of his experiences as a local business man and made a plea for better merchandizing methods.

"From the standpoint of the business man," he said, "merchandizing plays as big a part as does merchandise. The customer wants and expects quality, but the growth of a business depends largely on personality and service."

Visitors at the meeting were William D. Smedley, Alexander C. Shand, Jr., Dr. J. J. Schembs, Jr., Robert F. Whelan, all of Narberth, and the brothers Gessler of the Philadelphia Club.

OLD OFFICERS OF AUXILIARY REPORT

Next Meeting Scheduled for Tuesday Evening at Legion Room.

NEW BOARD INSTALLED

The regular monthly meeting of the American Legion Auxiliary, Harold D. Speakman Post, No. 356, will be held next Tuesday evening, February 15, at the Legion room, Community Building, at 8 o'clock.

At the last meeting of the auxiliary the following officers elected in December were installed for the ensuing year by Past Commander Harry A. Simpson.

President, Mrs. Edwin H. Wipf. Vice President, Mrs. Earle B. Dickie.

Corresponding secretary, Mrs. S. Robert Ross.

Recording secretary, Mrs. Rowland K. Hewitt.

Treasurer, Miss Edith Hewitt. Historian, Mrs. Walter O'Sullivan.

Directors, Mrs. Robert E. Collins, Mrs. Addie K. Hewitt, Mrs. John A. Mowrer and Miss Emma Mueller.

The past year has been a very successful one for the auxiliary. Five beautiful Afghans were knit by the members and sent to the tubercular hospitals; 12 Christmas stockings were sent to the soldiers at the Walter Reed Hospital, and a box was sent to the hospital at League Island. The local unit took care of several families at Christmas time, sending provisions, warm clothing and toys to the children.

The Welfare Committee, together with the units of Ardmore and Oakmont, visit Hospital No. 49, Twenty-fourth street and Gray's Ferry avenue, every two months, furnishing music, games and refreshments to 565 mental patients in the hospital.

The committee wishes to thank those who have contributed wool and squares for the Afghans during the past year, and as plans are being made to keep on knitting these Afghans during the year, anyone having any wool to contribute may send it to Mrs. E. L. Bossert, 130 Woodside avenue, or any auxiliary member.

The units of Ardmore, Bala-Cynwyd and Narberth will entertain the Montgomery-Bucks Bi-County Council at their February meeting and luncheon Thursday, February 17, at the Legion room, Community Building, Narberth.

TENNIS CLUB WILL GIVE DANCE SATURDAY

At Merion Tribute House—Is Third of Winter Series.

"Time certainly does fly," said the man as he threw his watch across the street. But next week the Tennis Club will hold the third dance of its winter series on Saturday night, February 19, at the Merion Tribute House, 625 Hazelhurst avenue, Merion, one-half block from the station on the Philadelphia-bound side of the railroad.

The regulars are gradually finding their way to the dances and there were quite a few guests at the last dance, which was put over with a punch. The next dance, falling on Saturday, will give an opportunity for our travelers to be on hand—we have missed some of the standbys due to their being out of town.

Everybody will be welcomed, whether a member of the club or not, and we hope you'll all be on hand early.

Dancing, 8.30 until 12 o'clock.

Those who do not have tickets may pay at the dance—\$1.25 per person.

To the Editor of "Our Town."

In the passing of Mrs. Frank C. Hill, the town has lost a most intellectual woman. While many people may not have known her personally, those who did feel her loss keenly. In her own quiet way she endeared herself to many. Always a great reader it was the greatest pleasure to sit and talk with her, for the topics of the day were always at her command. Mrs. Hill made her home of late with her daughter, Mrs. Will H. Lewis, of Woodside avenue. Mrs. Hill was born in Dorset, Vermont. I will fill my eyes full of the sight of you, I will stay my tears in all the bliss of you. Though we are apart, faith I will keep with you. Always, in my heart, seeing your face.

Mrs. John B. Brooks.

SCOUTS AT CHURCH

Special Services at Methodist Church Tomorrow.

As a fitting climax to the celebration of Boy Scout week the local troop will attend church services tomorrow morning at 11 o'clock in the Methodist church. They will be attired in full regulation uniform and under command of B. J. Cook, scoutmaster. They will be accompanied by members of the Troop Committee and the Fathers' Association. The Rev. W. Sheridan Dawson will preach a special sermon for the occasion, basing his remarks on the boys of the present generation, with particular reference to the work of the Boy Scouts of America.

Last week's meeting in the Cabin was attended by upwards of 40 boys. In addition to the regular routine prescribed by the Scout manual, there was a special demonstration given by Captain J. N. Patton, of Philadelphia, in the art of tying knots. This is one of the principal features of the early work in scouting. The suitcase filled with pieces of rope tied in a score or more of different knots was a most welcome display.

Fenimore, of the Kensington High School; Mr. George H. Wilson, of Narberth Junior High School. ning to own Narberth, too." These accusations came from residents who believe that the local bus line is owned by the Mitten Philadelphia combination. Others blamed the borough officials.

The burgess called Manager Frank A. Dugan, of the bus company, on the phone and apprised him of the dire results of his company's safety measures. Mr. Frye reminded the manager that Essex avenue was dedicated to the younger element when snow fell. Mere busses had to seek another route.

Mr. Dugan, ignorant of the action of his underlings, was surprised and chagrined, and promised the burgess, and through him, the children, that in the future no truckload of salt would snatch away an afternoon of sledding.

And then the sun and rain completed the melting job, so Narberth's sled owners are awaiting another snowy day.

TARNISH

Tarnish on silver can be removed by the electrolytic method. Various commercial devices for this can be bought for use at home, or it can be done in the following way: Fill an enameled or agateware kettle partly full of water in which has been dissolved one teaspoon of either washing soda or baking soda and one teaspoon salt to each quart of water, heat this solution to the boiling point, put in strips of aluminum or bright zinc, add the tarnished silver, and boil it. The silver must be covered completely by the water and each piece must be in contact with the aluminum or zinc either directly or through other silver.

ASSOCIATION HAS ANNUAL MEETING

Accomplishments of Former

IS FORTY YEARS OLD

The intention of Main Line residents to oppose any attempts of industrializing this section was voiced by the Rev. Dr. Andrew Mutch, pastor of the Bryn Mawr Presbyterian Church, at the annual meeting of the Main Line Citizens' Association in the Woman's Club building at Ardmore Monday night.

The meeting marked the organization's fortieth birthday in celebration of which a big cake with two score lighted candles was cut. Reminiscences of the days when the Main Line was open farm country before automobiles and regular train service developed bustling communities featured the gathering.

John W. Townsend, of Bryn Mawr, who is eighty-four, recalled the time when all surrounding highways were dirt roads, except Lancaster Pike, which was "paved" with rough-cut stones.

"There were no accidents at grade crossings in those times," said Mr. Townsend, "because trains to and from the city were quite infrequent. I remember in the 60's the little wooden shanty that was the railroad station at Athesville, now Ardmore, and alongside just two tracks, with grass and weeds growing high between them."

"We are proud of these suburbs and we wish to keep them suburban and not industrial," said Dr. Mutch. "The association's housing committee has done much good work in this connection by helping frame a building code."

"It has saved us from some types of building which would have been a blot on the beauty of this locality. The committee's survey is helping those in authority to keep clear the vision of the fine possibilities that still remain for the best development of these suburbs." Tracing the history of the association, Dr. Mutch also referred to the days before the Main Line had developed into a chain of live communities all linked to each other and to Philadelphia by increasing motor traffic and regular train service.

"We speak of the 'wild and woolly West.' The Bryn Mawr Citizens' Protective Association was organized in 1880, principally as a means of routing tramps who committed robberies in passing through the region. Its papers set forth its purpose to be 'the suppression of vagrancy and the maintenance of law and order.' It employed officers who were paid from public subscriptions.

"In 1888 this body was joined in wedlock with the Relief Association of Bryn Mawr and Vicinity, the charter of which had been issued two years earlier over such names as those of J. B. Garrett, Josiah Pearce, Parker Shortridge, Wayne McVeagh and William Hamilton Miller, for the relief of worthy persons who need temporary assistance."

With the increase in population and the springing up of other communities and the need for widening its scope of action the name of the bodies which had joined as the Bryn Mawr Citizens' Association was changed to its present title in 1910, Dr. Mutch explained.

Robert W. Lesley, president of the association, presided at the meeting. He was re-elected together with the following, whose names were submitted by the nominating committee, of which Benjamin H. Ludlow, former State Representative, was chairman; Edward Y. Hartshorne, Dr. Mutch, John S. Clarke, Mrs. Walter B. Stephenson and Alfred M. Collins, vice presidents; Alfred C. Maule, secretary; Richard J. Hamilton, treasurer; W. Logan MacCoy, solicitor.

Robert Clothier, W. D. Lober and Mrs. R. F. Tull were added to the directorate last night. Other directors re-elected are Carl P. Birkinbine, William H. Hutt, Mrs. Gideon Boericke, Mrs. Harland, C. Nicholson, Dr. A. Lovett Dewees, Samuel Rea, Mrs. Harrie F. Reed, Charles E. Hires, William J. Serrell, Colonel Samuel Price Wetherill, Jr., and Charles Wilson. Miss Joan Wollaston was re-elected assistant secretary.

CHOOSINESS

The outstanding reason for malnutrition among American children is bad food habits. Of course, there are some parents who do not provide the right food for their children because of lack of knowledge of food values or failure to understand the importance of the information at hand. In any case, bad food habits, whether based on the child's "choosiness" or the parent's lack of information, can be corrected only through education in what are the proper foods for children and how they can be trained to eat wholesome foods.

BALWY WAFFLES

An electric waffle iron should never be greased. If your waffles stick perhaps you have not put enough melted butter or other shortening into the batter. One or two extra tablespoonfuls of melted shortening in the batter will often prevent sticking. Also when the waffle is brown and crisp and ready to take out of the iron, thrust a fork firmly into it and lift the waffle straight up. If you work around the edges with a knife, attempting to loosen it that way, the waffle will break and be almost impossible to get out whole.

CIVIC ASSOCIATION GIFT ACKNOWLEDGED

Buy New Shelves and Lighting Fixtures for Library.

No more appropriate place than these columns could be found for the proper acknowledgment by the Library of the contribution of \$250 which has been received within the past week from the Civic Association, for the money was a part of the sum derived by the Civic Association from the sale of "Our Town" to the present editor and publisher. This sale was a part of the preliminary steps in the disbandment of the Civic Association, and the check was sent to the Community Library Association by Mr. Ralph S. Dunne, the last president of the association.

The Library trustees at their regular monthly meeting last Tuesday evening authorized the use of as much of the Civic Association fund as might be necessary to purchase and install additional lighting fixtures which have been repeatedly demonstrated as being urgently needed to give better light for finding books on the shelves. The trustees authorized also the purchase from the same fund of additional shelves, to match those already installed and to provide for the steady increase in the collection of books.

The growth of the public use of the library has continued so steadily that already the equipment which seemed quite adequate less than a year ago is now becoming crowded. That same increase in the public use of the Library also requires that all available income shall be spent on books, both current and standard, with the result that, lacking some additional funds such as those so generously provided by the Civic Association, it would be practically impossible for the Library to care for both requirements.

GIRL SCOUTS

Form Old Girls' Club. Mothers Gave Party Wednesday.

On January the 7 a group of girls from troops all over the Main Line met in the Narberth building and formed an Old Girls' Club. There were girls representing many of the troops present and they drew up the laws, elected officers and then had a general good time. The club met at 5.15 and built a fire in the fireplace. Supper was then eaten and a short business meeting followed.

The second meeting of the club was held on February 11. The club was organized of girls 15 and over to better the standards of districts, to act as court of honor and to discuss troop affairs. There is to be a meeting the second Friday of each month at 5.15 at the Narberth Scout House, to which the girls bring their supper.

Officers elected are: Polly Phillips, president; Christine Mahl, vice president; Ruth Hopkins, secretary; Helene Coogan, treasurer.

On Tuesday night the Narberth Girl Scouts started to work on their troop advancement contest, which is an annual event among the girls of many troops. Each troop has an equal chance of winning. Some of the factors which count are 90 per cent. attendance, perfect inspection, etc. Each girl has a health book in which she keeps her individual points.

The weekly meeting was opened with the usual formal opening. Mrs. Cook spoke briefly. The troop went to patrol corners. Later the good-night circle was formed and the girls were dismissed. After the meeting a few stayed for play practice. The Girl Scouts are going to give a play; watch for the announcement of the date.

On Wednesday, February 9, the mothers' association of the Girl Scouts held a card party. There were about 80 women present. Sandwiches, cake and coffee were served.

TO GIVE "KATHLEEN"

The St. Margaret's Dramatic Club set last Thursday as the date for the first rehearsal of their musical play "Kathleen," which will be given in the Katharine Hall on Thursday, Friday and Saturday, February 24, 25 and 26.

Every one is looking forward to the day when "Kathleen" will be staged, as reports from the places where this play has been given herald it as a most attractive and tuneful musical comedy.

BAIT --

The days of merchandising through the use of bait are passing. Modern stores are making it a policy more and more to give consistent value, and depend on honest dealings.

The lurid offers of city stores, holding out questionable bargains as bait to sell poor value goods; the chain store "specials" which lure the housewife into the shop, so she can stagger home with a basketful of goods of an unknown, private brand—these selling features are less appealing today than they were.

Year-in-and-year-out value, unquestioned honesty, prompt service, complete stocks of known products, are the features which appeal to sensible folks.
